

A vintage photograph of a young boy and a woman playing a video game on a television. The boy, on the left, is wearing a plaid shirt and holding a joystick controller. The woman, on the right, has curly red hair and is wearing a plaid shirt under a dark vest; she is pointing at the screen. The television screen shows a simple game interface with a vertical dashed line, the numbers '4' and '1', and some vertical bars. A game console is visible at the bottom of the frame, connected to the TV.
